

Mass / Lump Removal Chart

Please place an X where mass and/or lumps are located that you would like your veterinarian to remove during the procedure. If there are multiple, please label A, B, C - **Example below!**

Pet Name: Fluffy

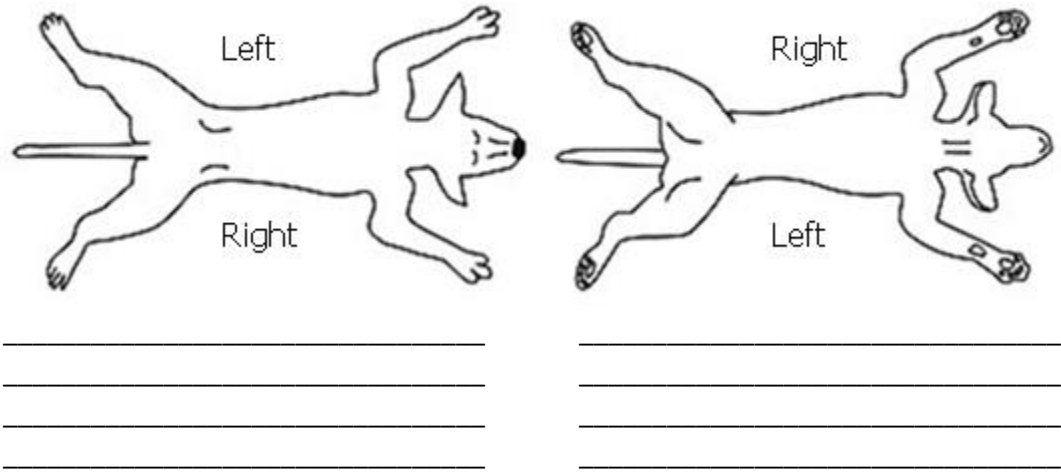

EXAMPLE

A: 1 cm pink raised mass began
growing three months ago

B: 2 cm lump under the skin
noticed 2 weeks ago

Pet Name: _____

*To ensure all masses are aspirated, removed, examined, etc. by your veterinarians – we can shave the area(s) where the masses are located or marked with a black sharpie per owner approval.
